Re: U.S.A. v. Franklin P. Tyson, et al.  
Civil Action No. 84-2663

Dear Messrs. Martinez and Donovan:

Here is a copy of a Purge Well Testing Program proposed by Environmental Resources Management, Inc. to CIBA-GEIGY Corporation. We have told them to go ahead and perform the program. They tell us that the program can be completed in a 12-week time frame rather than the 16-week time frame set forth on page 6 of the proposal.

We tentatively agreed to meet with you to discuss CIBA-GEIGY Corporation's response to EPA's Record of Decision on Wednesday, February 20. Please tell me promptly when and where that meeting will be held.

Very truly yours,

George J. Miller
